Hi Gregor,

I am so glad to hear that it all worked out with your visit and that the guide you selected was a good one.

I hope you enjoyed your visit to Israel and your stay at our hotel.

I will forward this guide's details to our front desk manager for his information.

Thank you for taking the time to write me.

Sincerely,

Toby,

Sorry I did not have a chance to connect with you in person during our stay last week.

The guide I organized was fantastic and I would certainly recommend him over the Rent--a-Guide people you suggested. The latter were hopeless and showed no ability to do what I requested, while Moti made it happen perfectly - Jerusalem, Bethlehem and Dead Sea in one day, and Nazareth on one afternoon.

Sincerely,

Gregor
